After our meeting on April 22, we celebrated our Sunday Mass with Bishop Jaucian and Msgr Bong Lo as our celebrant at the Noah's Ark Chapel together with the Lucena Chapter. We had our fellowship and acquaintances with the Lucena Chapter at Palaisdaan Restaurant and proceeded to San Pablo Chapter at 3PM.

July 19,20 & 21. Chapter visitation - Iloilo, San Carlos and Bacolod Chapter.

Together with our President Juana Go were Bishop Leopoldo Jaucian, Anita Lee, Virgie Po, Lilian Grino, Mely Tieng, Letty Suarez, Lucy Luy and yours truly spent time with the Iloilo Ladies. Had a sumptuous inato lunch at Tatoy's manokan and seafood Pavillon, where we enjoyed their famous native chicken barbeque, kinilaw, letchon, scallops, fish, crabs and squid. After lunch, we had the chance to catch up our sleep since most of us travelled very early in the morning. At 5PM, we had the chance to hear the mass at Sta. Maria Parish, our Lady of China with some of Iloilo Ladies. The fellowship was held at the function Room of Smallville 21 hotel. One thing I can say about the Iloilo ladies. They are fun, jolly singing ladies headed by their active and energetic president Fely Posadas. The next morning July 20, despite of heavy rain, we took the fast craft across Bacolod. There were quite a lot of friends who were also on their way to Bacolod to attend the installation of Fr. Peterson Tieng at Our Lady of Peace Parish Bacolod. At the same time, Fr. Pete also celebrated his 15th Sacerdotal anniversary of priesthood. It was a solemn event and a beautiful one simple celebration with chicken manokan and the famous Pitchu-pitchu of Bacolod, that made most of the FFCCWO ladies so happy and satisfied.

The next day, together with St. Mary's of Bacolod Ladies namely; Soha Uy, Pres. Ninfa Tan, Virgie Co. Atty. Jean Chua and Irene Coo we travelled to San Carlos, Negros Oriental. It started to be a raining and foggy day but with the consistent prayers lead by our National President Juana Go we were graced with a beautiful sunny weather. The fellowship was held in the house of Rosita Tan Yu. San Carlos ladies might be few in numbers but their hospitality is big enough to make us all so welcome. After Lunch, we proceeded back to Bacolod for our fellowship with the St. Mary's Ladies Circle. Bacolod ladies welcome us with their gorgeous smile. As we call it and end for this 2nd set of chapter visitation, we are truly grateful for all the warm welcome and encouraging reports and sharing from the different chapters. Till the next trip.... September is schedule for Ozamis, Iligan and Cagayan de Oro.
